**Job Description:**

KB Sports Therapy is looking for a skilled sports therapist to join our team in Northampton. Our philosophy is patient-centred, and we are committed to providing the highest standard of care to every patient we treat, helping our patients achieve their goals in a professional, caring, safe and supportive environment.

The ideal candidate will have previous clinical experience (however this is not essential but is desired), alongside a willingness and desire to learn and grow as a therapist.

The role is of a self-employed basis and therefore the candidate must have excellent time management skills to efficiently maintain a working diary/calendar, as well as communicate effectively with patients and other members of the team. The candidate will be responsible of managing and monitoring their own diaries, online bookings, and updating clinical notes for clients seen.

The role will include injury assessment, treatment and prevention. Combining hands on therapy (deep tissue massage, sports massage, remedial massage) and exercise therapy, and electrotherapy.

Strappings and tapings when required by clients. The role will include facilitating individualised and progressive rehabilitation plans and recovery for clients with musculoskeletal conditions. Within this role the ideal candidate will be confident and able to provide advice about stretching/mobility exercises as well as warm up exercises; perform postural assessments and mobility screening.

After a successful probation period the candidate will be required to take part in social media content and marketing content.
